25X1A

25X1A

I understand that the case is settled. This was the case of the WH Case Officer who entertained a employee for two weeks at a cost of about \$315. Tom K told me this morning that he had negotiated a settlement with Mr. Kirkpatrick. refunded about \$80, representing the cost of the meals for nimself and his wife. He was paid the difference, which was largely milage for his car and meals for the visitor. is checking to be certain there are no loose ends. Case closed.
